

*New Jersey Chapter
of the
International Association
of
Forensic Nurses*

This application is for the New Jersey Chapter of the International Association of Forensic Nurses. A New Jersey Chapter member must also be a member of the national organization "IAFN". Membership in the state chapter does not give you membership in the national organization. You may join IAFN by going to www.iafn.org.

Full membership is open to Registered Nurses working in or interested in the field of forensics.

Associate membership is open to student nurses and other professional actively involved in forensic science or those who support the concept of forensic nursing.

Fee: \$25.00 per year
